Exhibits will be tabletop only. There will be no pipe and drape. No freestanding floor exhibits will be permitted. Any standing equipment used as a display (does not include booth displays) must be no larger than 6' x 30" wide, and must be used IN LIEU of a table. Permission must be obtained from Show Management in advance of the meeting for this option. A tabletop sign will be provided to each exhibiting company.

Space Assignment

Space assignments are made on the basis of a priority point system, number of tables and the choices listed. The priority point system consists of three points provided annually (since 1985) for the first table contracted; additional tables contracted earn one point. All other applications will be assigned in order of receipt. The priority point deadline is **Friday, October 11, 2019**. Exhibitors wishing to avoid assignment of space adjacent to a particular competitor should indicate this on their Application for Exhibit Space. Careful consideration will be given to such requests. The Southern Association for Vascular Surgery reserves the right to alter the floor plan at any time.

Payment

Table Top Exhibits are \$3,000. A 50% deposit of the contracted space should be forwarded with the Application for Exhibit Space. The balance must be paid by **Friday, November 13, 2019**. Checks should be made payable to The Southern Association for Vascular Surgery and mailed with your application. Applications received after October 5th will be accepted on a space available basis.
