

**SOUTHERN ASSOCIATION FOR VASCULAR SURGERY**  
500 Cummings Center, Suite 4400; Beverly, MA 01915; (978) 927-8330

48<sup>th</sup> Annual Meeting • January 24-27, 2024  
Westin Kierland • Scottsdale, Arizona

**Abstract/Video Submission Deadline:**  
**Tuesday, September 5, 2023 11:59 pm EDT**

**INSTRUCTIONS TO AUTHORS**

**SUBMISSION POLICY:**

Abstracts submitted to the Southern Association for Vascular Surgery for consideration for the Annual Meeting program must be original work. Work that has been presented orally at national or regional meetings or that has been previously published cannot be submitted. It is acceptable to submit research that has been presented at local meetings or as a poster, provided it has not been published. Specifically, previously submitted local/regional work (e.g. State vascular society but no other national meetings) can be considered for **poster presentation only** if it is not associated with a previously published manuscript and is original work from the preceding 12 months leading up to the SAVS abstract submission deadline.

It is permissible to simultaneously submit abstracts to more than one society. However, if accepted for plenary presentation, the Southern Association for Vascular Surgery expects that it will be presented at the SAVS Annual Meeting. Authors whose work is accepted for plenary presentations must submit a manuscript to the *Journal of Vascular Surgery Publications*.

Failure to comply with the above policies may result in all authors listed on the abstract/manuscript being ineligible to submit work to the Southern Association for Vascular Surgery for up to one year.

Should authors have questions or concerns regarding these policies or whether their work is appropriate for submission, they should contact the Chair of the Program Committee or the Secretary-Treasurer for clarification prior to submitting their abstract.

**ACCME**

Submitting authors will also be prompted to answer the following questions during the submission process:

- What quality gap (limitation or problem) with the practice of vascular surgery does this research address?
- In what way might the results of this project supplement or inform, our clinical or research knowledge or strategies?

**Self-Assessment Questions**

Because the ABS requires self-assessment to maintain your Board Certification and Maintenance of Certification (MOC), the SAVS is developing a self-assessment exam for SAVS attendees at the January Annual Meeting. To meet this need you will need to create **two (2)** pertinent questions to test the attendee's understanding of the main points of your presentation. **One question needs to be CASE BASED.** For each question please provide one (1) correct answer (which will be supported by your data and presentation) and three (3) incorrect answers. **PLEASE NOTE: "All of the Above" responses are not permitted.**

## Resident Poster Competition

For abstracts to be considered as a part of the Resident Poster Competition, the author must meet all of the following criteria:

1. The author is a Resident, Fellow or Student at the time of submission
2. The Resident/Fellow/Student is the first author on the paper
3. The author will be present at the 48<sup>th</sup> Annual Meeting should the paper be accepted.

**Abstracts not selected for the Resident Poster Competition Presentation are still eligible for inclusion within the general scientific program.** Only one abstract submission is necessary.

## **SUBMISSION INSTRUCTIONS:**

### **CASE REPORTS** (For Panel Presentation)

Go to the Abstract Free Paper Case Report section and click the “**New Submission**” link. Next is the Presentation Preference Step. Be sure to select Case Report from the drop down menu. Do not paste any reference to the authors or institutions in the Abstract Body. Do not use footnotes or references. A maximum of two slides or angiographic films may be uploaded to accompany the Case Report. A maximum of 500 words will be allowed (with a minimum of 50).

### **FREE PAPERS**

Go to the Abstract Free Paper Case Report section and click the “**New Submission**” link. Next is the Presentation Preference Step. Be sure to select Free Paper from the drop down menu. Do not paste any reference to the authors or institutions in the Abstract Body. Do not use footnotes or references. A maximum of 500 words will be allowed (with a minimum of 50). A maximum of two tables, graphics or images may be uploaded. Each table, graphic or image uploaded will deduct 25 words from the total word count of the abstract.

### **VIDEOS**

If submitting a video, you **MUST** submit an abstract via the abstract submission site. All submissions must include an abstract with a maximum of **500** words (minimum of 50). Go to the Video Section and click on the “**New Submission**” link. Next is the Presentation Preference Step. Be sure to select Video from the drop down menu. Do not paste any reference to the authors or institutions in the Abstract Body. Do not use footnotes or references.

Videos must not exceed 5 minutes in length.

**AGAIN FOR 2024:** ALL videos are to be uploaded through the abstract submission site at the time of submission. No copies of the video will need to be sent to or shared with the Society’s Administrative Offices.

### **Abstract Table Format**

Tables+Figures must not exceed two for each abstract. Tables must be submitted in the table building tool. Tables may not contain information that could identify patients. Tables must use 12 point Times New Roman font and must NOT span more than one page in the Word Document. Tables must be cited in the abstract, include a title, and all of the columns and/or rows must be labeled.

## **FOUNDERS' AWARD**

Go to the Abstract Founders Award Submission section and click the “**New Submission**” link. The Founders' Award allows for an Extended Abstract not to exceed 1,500 words, represents original research on a basic science of clinical vascular subject and should be submitted by a Trainee (i.e. student, resident or fellow) currently in a program located in one of the states comprising the membership of the Southern Association for Vascular Surgery.

The material must concern peripheral arterial, venous or lymphatic disease and must not have been presented, submitted or published elsewhere. A manuscript suitable for publication in the *Journal of Vascular Surgery Publications* will be required at the time of presentation. Judging will be based on the quality of the extended abstract, and authors will be notified prior to this year's meeting.

### **Award**

The 2024 award will consist of \$5,000 and will be presented at this year's meeting in Scottsdale, Arizona

## **ABSTRACT NOTIFICATIONS**

Notification of the Program Committee's decision will be distributed in October (2023).
